February 15, 2007

To: the hearing committee on HJ 32.

As President of the Montana Transit Association (MTA) and a representative of its Board and members I would like to make known our support of HJ32.

We believe that this action of resolution is necessary to the perpetuation of transportation in Montana.

It is imperative to all the people and economy of Montana to pursue funding and resource that can provide much needed transportation options in Montana.

MTA President,

Randy Velin
